

สถาบันมาตรวิทยาแห่งชาติ

National Institute of Metrology (Thailand)

ประกาศสถาบันมาตรวิทยาแห่งชาติ NIMT Quality Objectives for the Year 2026

By the end of the fiscal 2026, the National Institute of Metrology (Thailand) determines to fulfill the following quality objectives:

1. The National Institute of Metrology (Thailand) has continuously developed new calibration and measurement capabilities to fulfill existing demands and future needs of the country. At least 20 of them shall reach clients within two years of being listed.
2. To guarantee international equivalency and to gain international recognition of our calibration and measurement capabilities, the National Institute of Metrology (Thailand) shall participate in at least 20 items, international comparisons (key comparison, supplementary comparison, hybrid comparison or pilot study).
3. Complaints concerning impartiality, in any aspect, shall not occur.

Approved on 9 January 2026

Pol.Lt.Gen.

(Pornchai Suteerakune)

Director
